Dear Paul:

Enclosed is our final report on Amos Frank O'Dell. O'Dell was convicted of contributing to the delinquency of a minor. He has resigned from Scouting and is no longer active in any Scouting activity in our Council.

My original referral in this matter came from Laurence L. Anders who is on the Professional Staff of the Clinton Valley Council. I talked with Larry today and O'Dell has no Scouting interest with that Council, although he had served on the Lost Lake Camp Staff prior to that incident.

If there is any additional information needed, please feel free to contact me.

Sincerely,

Floyd Siebert

Dear Larry;

Just a few lines to let you know that I am alive and well. Also I have something I think you should know.

Larry, what I have to tell you, hurts me deeply, but I feel you should know. I would rather tell you this face to face, but, I missed you Wed, the second, and I don't know when I can get down there again. Out of respect for you, I decided to tell you. Now, after you read this, I hope you will agree to keep me on STSS, but, if you don't, I cannot blame you. I assure you, if you decide to keep me, what I have done will in no way affect my work.

Well here goes, I can't stall any longer. I will start at the beginning.

Last Sept. or Oct. I wrote a an X-Rated, (sexually) story. Then I let a young lady read it. She went home, told her parents, and they called the state Police. Consequently I was arrested and charged with contributing to the delinquency of a minor. Had a hearing, pleaded guilty and was sentenced. 1 year probation, and \$150.00 fine. I am seeing a Psychologist.

After one year, if I comply with all of this, and keep my nose clean, the Judge will recommend that all charges be dropped and my record cleared.

(cont.)

IF I don't, I stand a chance of going To Jail for 1 year and/or \$2,500 ~~xx~~ fine. That would just about KILL me.

Larry, as God is my witness, I meant no harm. I would never do anything To harm anyone. This child had Told me stories, sang ribald songs, and wrote notes, that I read. So I figured she would enjoy this story. It was meant as a joke and a joke only.

Larry, I have gone through pure hell over this. Consequently I have gotten closer to the Lord.

As you know, Larry, my word is my signature. I promise that this will in no way affect or damage my performance at camp.

Now, if you think that it will, just tell me and I will back out. As I have said before "God's will, will be done." Whatever happens I can blame no one but myself.

There, you know the story, I have something off my conscience.

Looking forward to a good camp.

God Bless you + yours

James F. O'Dell

RE: Amos O'Dell

Dear Floyd:

Enclosed please find True Copies of the court documents which will explain the situation with Mr. O'Dell. The one document is a misdemeanor warrant, which charges Mr. O'Dell with Accosting a Minor for Immoral Purposes, which was a one-year misdemeanor offense. Due to the facts surrounding this case, it was determined that a plea to a lesser offense, that is, Contributing to the Delinquency of a Minor, a 90 day misdemeanor, was an appropriate disposition. Accordingly, the defendant pled guilty to Contributing to the Delinquency of a Minor.

The second document which we have enclosed is a True Copy of the Judgment of Sentence. This document reflects in the upper left hand corner that the Court did impose a deferred sentence. Generally, when the Prosecutor's Office agrees to a deferred sentence, the case is dismissed if the individual is in no further trouble during this sentencing delay. It does appear, however, from the Prosecutor's file, that we did not specifically agree to the deferred sentence. Under these circumstances, I would not specifically agree to a dismissal of this offense at the end of the deferred sentence. As a result of this action, this matter should remain as a conviction on the defendant's record.

I hope these documents and this letter explain the circumstances surrounding Mr. O'Dell. If you have any further questions or comments concerning this matter, please do not hesitate to contact me.

Very truly yours,

William D. Bond
Tuscola County Prosecuting Attorney

Dear Floyd:

I hate to keep writing to you about this matter, but we have received no information since your original phone call over a year ago. I have written several times.

I must have a Confidential Record Sheet in order to identify Mr. O'Dell. I am enclosing another form for your use.

We would also like to know the reason why you told us over a year ago that you wanted him immediately dropped for confidential file reasons. Have these reasons deteriorated? If they are still a concern we should protect people in other parts of the country. We also have some concern that this is the same individual registered in another council. Without information from you I cannot move further at this time.

Thanks for your help.
